## Social Impact and Value

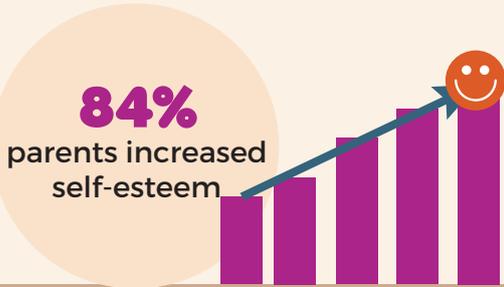

Support and friendship for families

Home-Start Nottinghamshire is comprised of four local schemes in the areas of Nottingham, Ashfield, Newark and Mansfield. Our non judgmental home-visiting volunteers help families with young children deal with the challenges they face. We support parents as they learn to cope, improve their confidence and build better lives for their children.

## Our Social Aims

**Health and Wellbeing:**

We aim to support families to improve their emotional, psychological and physical health and reduce negative influences to their health.

**Social and Community:**

We aim to help families become less excluded and isolated within the community by supporting them to develop positive peer networks and become more socially active and engaged.

**Education and Skills :**

We aim to increase awareness, develop knowledge and help create skills that will support families to make informed positive life choices.

**Employment & Volunteering:**

We aim to work with local partners to help parents seek, gain and sustain employment and access volunteering opportunities within Home-Start and throughout the Community.

**Crime and Justice:**

We aim to help reduce families feeling vulnerable within their own home and communities and help deter young people from getting involved in crime.

**Housing:**

We aim to work in partnership with Housing Associations and housing providers to help families sustain their tenancy, in communities of their choosing.

**Economic :**

We aim to work in partnership with specialist debt and financial planning providers to help reduce financial vulnerability.
